

PhD positions in the Center for Design and New Media at the Department of Computer Science, IIT Delhi

The upcoming Center for Design and New Media and the IIT-Delhi invites applications for PhD positions in the areas of Human-Computer Interaction (HCI), Ubiquitous Computing, Wearable Computing, Data Analytics, Computer Graphics, Multimedia and Social Media Computing, Augmented Reality, Virtual Reality, and Digital Music Composition & Performance. You may check detailed profiles of our faculty members here:

1. [A V Subramanyam \(subramanyam@iiitd.ac.in\)](mailto:subramanyam@iiitd.ac.in) - Multimedia Surveillance, Information Forensics and Security
2. [Aman Parnami \(aman@iiitd.ac.in\)](mailto:aman@iiitd.ac.in) - Interactive Mobile, Wearable and Ubiquitous Technologies
3. [Arindam Dey \(aridey@gmail.com\)](mailto:aridey@gmail.com) - Virtual and Augmented Reality, Empathic Computing
4. [Ojaswa Sharma \(ojaswa@iiitd.ac.in\)](mailto:ojaswa@iiitd.ac.in) - Virtual Reality and Visual Computing
5. [Pushpendra Singh \(psingh@iiitd.ac.in\)](mailto:psingh@iiitd.ac.in) - HCI and Ubiquitous Computing
6. [Rajiv Ratn Shah \(rajivratn@iiitd.ac.in\)](mailto:rajivratn@iiitd.ac.in) - Multimedia and Social Media Computing
7. [Tanmoy Chakraborty \(tanmoy@iiitd.ac.in\)](mailto:tanmoy@iiitd.ac.in) - Social Network Analysis
8. [Timothy Moyers \(timmoyers82@gmail.com\)](mailto:timmoyers82@gmail.com) - Digital Music Composition & Performance (Electroacoustic & Creative Programming)

Process	Last Date
Detailed CVs are invited. The CVs will be processed as soon as they arrive.	24/10/17
All CVs that are selected for next step will be notified by email. Please note that only successful candidate will be notified.	26/10/17
Interviews & Result	25/10/17 - 15/11/17
Acceptance of Offer	20/11/17
PhD position joining date	01/12/17

Selection Process:

1. The selection will be based on your performance in the interview (online or on-site) as assessed by the committee members.
2. This is a special round and PhD positions are available only with the faculty members mentioned in the advertisement.
3. Only selected candidates will be notified for Interview. If you do not receive an email by 26th Oct. 2017, then your CV has not been selected for the next stage.
4. The interview may be conducted online (if the candidate is not near Delhi or cannot come to Delhi) or on-site. You may also be asked to appear in more than one interviews to assess your suitability for the PhD program.

Application Process:

1. Please read our profiles, search through google about our work, read our papers, before deciding to apply. You may send your CV directly to up to three faculty members to whom you wish to apply to. Any application sent to more than three faculty will be rejected automatically. In your email, please clarify your interest in that particular faculty member's research.
2. The emails of faculty members are already given above.
3. The applications will be processed as they arrive.
