

## **Indraprasatha Institute of Information Technology Delhi Signs MoU with Data Security Council of India**

The Indraprasatha Institute of Information Technology signs Memorandum of Understanding with the Data Security Council of India for conducting joint programs on Cyber security and Privacy. **IIIT-Delhi** and **DSCI** will work jointly as an official industry partner & focus on various areas for Cybersecurity and Privacy. The MoU intends to focus on training, developing and strengthening the practical application of cyber security, encompassing the process and technology elements of cyber threat detection and mitigation. DSCI would introduce Hackathons, Niche skill building training programs, Collaboration projects, Market research and Workshops on Cyber security and privacy in various DSCI initiatives engagement like CoE, UCCH, Skill building, Cyber security industry building, any other such programs.

On the occasion of the merger with IIIT-Delhi Mr. Vinayak Godse, Vice President, Data Security Council of India expressed his views, "In coherence with IIIT-Delhi we would try to Strengthen, promote, contribute and develop skills in the field of cyber security. Also, promote expertise at the regional and national level, along with providing opportunities to participate in national, industry and strategic cyber security initiatives"

Dr Ashok Kumar Solanki, Registrar, Indraprasatha Institute of Information and Technology, Delhi presented his views, "IIIT-Delhi will facilitate and contribute in the cyber security and privacy programs. Along with providing academic and education support for undergraduate and post graduate in cyber security, technology support and conducting research work in the field of cyber security, IIIT-Delhi will also focus on the providing logistic support for industry interactions, hosting hackathons etc."

### **About IIIT-Delhi**

It was created as a State University by an act of Delhi Government (The IIIT Delhi Act, 2007) empowering it to do research and development, and grant degrees. In a relatively short time, it has earned an excellent reputation in India and abroad for being a center of quality education and research in IT and interdisciplinary areas. Established in 2008, the institute has grown to be recognized as one of the most promising young institutions for education and research in India. The institute is accredited 'A' grade by NAAC (National Assessment and Accreditation Council) and has been accorded 12-B status by the University Grants Commission (UGC). In recognition of its performance, QS BRICS University Ranking has ranked IIIT-D 48 (in QS Ranking India) and 192 9in BRICS region) in 2019 ranking. On the national level, in QS India University Rankings 2019, IIIT-Delhi is the only state university from Delhi to appear in the list.
