

## **IIIT-Delhi announces season 5 of the Summer Camp for Government School Students.**

New Delhi, 15<sup>th</sup> May'21:: Since 2016 every year IIITD conducts summer camps for the eighth and ninth standard students of the nearby Government Schools. Due to the pandemic, the institute was not able to organize the summer camp in 2020.

In 2021 IIIT-Delhi is organizing a virtual summer camp for students of class VIII to XI of Government schools. The summer camp will commence from 17th May and go on till 18th June 2021. This year students from the 'School of excellence, Kalkaji', 'GGSSS, Kalkaji', 'GGSS, Tughlakabad Extn.', 'RPVV, Lajpat Nagar', 'GBSS, DDA flats, Kalkaji', 'GBSSS, Harkesh Nagar' will be participating in the camp. The organizers and the volunteers are very excited to meet the young kids after 2 years.

The students will be taught, Mathematics & Problem Solving, Communication Skills, Personality Development, General Sciences and Entrepreneurship. Looking at the need of the hour where it is required to think out of the box a new module on Entrepreneurship has been added to the curriculum. Other than this students will also be given a chance to be a part of activity sessions like Origami, Sketching, Storytelling etc. Lack of social interaction is impacting the mental health of the students in the worst manner, at this difficult time the IIITD students who will be teaching these young students are prepared to give them a platform to express themselves and provide them a safe and friendly atmosphere. Interactive Sessions will be conducted to help students generate creative ideas and thoughts. The institute hopes this will encourage students to unfold their hidden talents and nurture them in the future.
